

## ROVE

### Big Air, Wherever You Need It!

- Pre-assembled for quick and easy setup
- Delivers efficient, low-velocity air movement for large spaces
- Adjustable airflow direction with 45° up and down tilt
- Industrial-grade castor wheels for easy positioning & relocation
- Precise airflow control by combining adjustable tilt and mobile positioning
- Fits through a standard doorway for easy transport between spaces
- IP55 rated for protection against dust and water, making it suitable for indoor and outdoor use
- Quieter operation makes it ideal for fitness centres, warehouses, factories, commercial buildings, and indoor or outdoor events
